

- Timed charges: Some charges such as anesthesia are based on a units of time, so the charges may vary based on the units charged.
- Drugs and implants: Drugs, implants and supplies are priced individually based on the cost loaded into our information systems at the time of charging, so they do not have individual prices listed. The typical methodology will take the cost in place at the time, multiplied by a markup percentage.
- Estimated Total Charges of Procedure/Stays/Visits etc can be obtained by contacting -AJ Karpinski at 218-546-2507. All charges are then subject to Insurance contract payer reductions. To get any accurate representation of patient final cost, I would strongly encourage contacting us to accurately predict final price -costs of services

• **ATTENTION:** The amounts posted above DO NOT reflect the amount(s) each clinic patient will pay for the services listed. For specific information about the amount you will owe for the services you receive, please contact your insurer.

• Patients with government-sponsored health coverage, such as Medicare or Medical Assistance: The payment rates listed above reflect amounts set by Medicare or Medical Assistance, not by this clinic. These listed rates do not reflect the amount you might owe as a co-payment.

• Patients covered by commercial health insurance or a Medicare Advantage plan: Your health insurance company has likely negotiated a discount or contracted rate for each service. Your health insurance company's negotiated price might be higher or lower than the average commercial payment amount listed above. To learn more about your health insurance company's negotiated price or how much you will owe under the term of your specific health policy, please contact your health insurance company.

• The Minnesota Legislature passed a law that requires certain clinics to report amounts for their 25 most frequent services that cost more than \$25.00. The services listed here do not reflect all the services provided at this clinic.

For more information, please contact AJ Karpinski, Director Managed Care Contracting, at 218-546-2507

NOTICE: Cuyuna Regional Medical Center - Crosby is a provider based facility. This clinic is a part of a hospital and the patient may receive a separate charge or billing for the facility component of the service. This may result in a higher out of pocket expense.
