Minnesota law requires primary care clinics to annually post the following information for the top 25 most commonly billed services priced over \$25, including the top 10 Evaluation and Management and Preventive Medicine services. CRMC supports the intent of this law to educate patients on the cost of healthcare and the patient financial responsibilities. The amounts posted above DO NOT reflect the amount(s) each clinic patient will pay for the services listed. For specific information about the amount you will owe for the services you receive, CRMC can provide a good faith patient estimate for services to be performed by contacting our Financial Advisor Team at (218) 546-4357 or (218) 546-4390. Office hours for Patient Estimating Service staff are 8 am to 4 pm CST, Monday through Friday.
